

Frankly  
Speaking  
About

# Colorectal Cancer

## *A Free Workshop*

**This free educational program** provides support, education and hope to people affected by colorectal cancer and their loved ones. Medical Oncologist Dr. Gary Ratkin, Director of Missouri Baptist Cancer Center, and Kathy Bearman, LCSW, will discuss the most current treatments and the psychosocial effects of this diagnosis. A survivor panel will be available for question and answer. All attendees will receive a free copy of the informational booklet, *Frankly Speaking About Colorectal Cancer*.

**Date:** Monday, August 9th

**Time:** 6:30 – 8:00 PM

**Location:** The Wellness Community

1058 Old Des Peres Rd.

St. Louis. MO 63131

### Featured speakers include:

**Dr. Gary A. Ratkin**

*Medical Director, Missouri Baptist Cancer Center*

**Kathy Bearman, LSCW**
